B-24
Apple Data Card

Starting the Game

Place game in your disk drive. Turn on your computer. Game will start.

IIgs owners will need to set their machines to normal speed before play.

When playing the Campaign game, you will have the option of using two drives.

Playing the Game

There is no joystick option in the game, the following keys operate the game:

I:	Pitch Down
J:	Bank Left
K:	Bank Right
M:	Pitch Up
Return:	Cancels fast time
Esc:	Aborts take-off
CrtI-A:	Bails out

All else is the same as for the Commodore version.
